NOTICE OF ALLOWANCE

Response to Interview

1. The applicant indicated that rejection of claims 1-6 was improper since the inventive entity was the same as per the MPEP, section 804 during the interview conducted on June 29, 2005. The examiner hereby withdraws the rejection under 35 USC 102 of those claims.

Allowable Subject Matter

2. Claims 1-6 are allowed.

3. The following is an examiner's statement of reasons for allowance:

It was not found to be taught in the prior art of means for classifying data packets received at the firewall related to a consumption of a resource, means for associating a maximum acceptable transmission rate with each class of data packet received at the firewall, means for limiting the transmission rate from the firewall to the maximum acceptable transmission rate for each class of data packet. Attacks cannot be launched through the non-redundant firewall connection between networks.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
